## **NARRATIVE**

I parked my car at 1 South Park San Francisco around 6pm. My backpack with my personal items had been placed in the truck of my after leaving work in a parking structure. My backpack was not visible in my truck. I then payed for parking, locked my doors and went into 1st Amendment Restaurant for dinner. When I return to my car around 8:30pm my passenger back window had been broken and my laptop was missing from my truck. The vehicle next to had also been broken into on the passenger back window was well. I called 911 to file a police report and was told to file a report online. I have reached out to the property management at 1 South Park to see if they have cameras outside of the building and am still waiting an update.
